**From Pole to Pole**

AYER'S SARSAPARILLA has demonstrated its

power of cure for all diseases of the blood.

**The Harpooner's Story.**

Dr. J. C. AYER & Co., Lowell, Mass. Twenty years ago I

was a harpooner in the North Pole, when five

others of the crew and myself were laid up with

scourgy. Our bodies were bloated, gross swollen

and bleeding, teeth loose, purple blotches all

over us, and our heads several times.

By and large we were pretty badly off. All our

hunger was accidentally destroyed, but the

captain had a couple dozen bottles of AYER'S

SARSAPARILLA, and gave us that. We recovered

on it quicker than I have ever seen men

brought about by any other treatment. Scourgy,

and I've seen a good deal of it. Seeing no harm

in your Almanac of your Sarsaparilla being

good for scourgy, I thought you ought to know of

this, and so send you the story.

Respectfully yours, **WILLIAM Y. VINGATE.**

**The Trooper's Experience.**

Massachusetts (U. S. A.), March 7, 1853.

Dr. J. C. AYER & Co., Lowell, Mass. I have

much pleasure to testify to the great value of

your Sarsaparilla. I have been afflicted

here for over two years, during which time we

had to live in tents. Being under canvas for

such a time, the heat of the sun is called in this

country "scald-skin." I had those scald-skin

some time, and it was very painful. I had

two bottles of which made my cure

disappear rapidly, and I am now quite well.

Yours truly, **W. Y. VINGATE.**

### LOCAL BREVITIES.

The weather has been beautiful the past week.

Call and see our cakes, pies, nuts and candies at the Union Bakery.

V. Bulloitt intends erecting a private residence on Napa street, near the school house, in a short time.

Frank Weiler's Paviqoa Saloon and McGill's meat market have been repaired and otherwise improved the past week.

The S. F. & N. P. Railroad company has agreed to discharge its Chinese employees if the citizens of Tiburon will do likewise.

Genuine white labor cigars made by M. Basch, 624 Washington street, San Francisco. For sale by Jas. Ruffner, Odd Fellows' block.

The Union Hotel is becoming quite a resort for city visitors to Sonoma. The fame of this hotel is becoming well known to travelers and pleasure seekers.

The palatial residence of Mrs. Robt. Johnson, on the Buena Vista ranch, is nearing completion. It will be ready for occupancy some time in April or May.

Prof. A. E. Lasher will preach at the Methodist Episcopal church on Sunday (to-morrow) at 11 A. M. and 7 P. M. Sabbath School at 10 A. M. A cordial invitation is extended to all.

Flags were flying at half-mast in this place last Wednesday, in respect to the memory of Gen. Hancock, who expired very suddenly in New York on Tuesday morning.

It is said that several girls are among the visitors to the Chinese opium joints in this town. Those dens of iniquity also number among their patrons white male fiends in abundance.

J. J. Wistyrk, the popular clerk of the Union Hotel, will take charge of Henry Weyl's grocery store next week. Jake's smiling phiz will be missed by the patrons of the hotel, among whom he is very popular.

He—"Did it ever occur to you how difficult it must have been for Solomon to propose to a thousand maidens?" She—"Yes, but not half so difficult as some of the Sonoma men find it to propose to one."

Mr. J. A. Poppe has completed his work on the premises on First Street East. Other property owners along the line of the street are busily engaged in similar improvements. When completed, there will be an even and unbroken line of sidewalk the entire length of that thoroughfare.

An auction sale of real estate will take place to-day at 12 o'clock. The sale will be held on the northwest corner of Napa and Broadway streets and will embrace the real estate belonging to the estate of the late Angus McDougall. The property is very eligibly located and will no doubt bring good prices.

People with gray hair may conceal from the world the fact that they are becoming aged, and passing on to decay, by the use of Hall's Hair Renewer. It is a fact that this article renews, cleanses, brightens, thickens and restores faded or gray hair to its youthful color and lustre, rapidly, quickly and surely.

The Agua Caliente Springs Hotel, having been enlarged and refurnished is now one of the most elegant and attractive summer and winter resorts on the coast. Visitors will find the house supplied with every modern convenience, and no pains will be spared to make their stay pleasant and comfortable. Prices to correspond with the dull times.

The first rehearsal of the laughable farce, entitled "The Limerick Boy," which will be produced on the occasion of the Clay Literary Society's entertainment, on the 22d inst., took place on Wednesday evening at Union Hall. Those taking part were well up in their respective characters and the play promises to be a grand success.

The large and handsome residence of Mrs. J. B. Snyder, peering at the foot of the hills, in a beautiful and romantic spot one mile from Sonoma, is being improved by the addition of broad piazzas and bay windows. These improvements when finished will add much to the attractiveness of what is already one of the finest residences in the valley.

The new postoffice building will be fitted up and ready for occupancy about March 1st. It will be provided with lock boxes and other appliances in keeping with a modern postoffice. Mr. Robt. J. Pauli, the new postmaster, has received his commission and will enter upon the discharge of his duties as soon as the new quarters are ready to receive him.

Complaints continue to reach us of the pest-breeding pool of stagnant water in the lot in the rear of the Odd Fellows' Hall and the Union Stables. The public health demands that it be removed. Much sickness has already been occasioned by the noisome vapors arising therefrom and much will follow if the nuisance is not abated. The attention of the Trustees is called to the matter.

# THE ANTI-CHINESE MEETING.

## A Permanent Organization Effected—The Resolutions.

Last night the citizens of Sonoma and vicinity assembled at the City Pavilion, pursuant to adjournment on Monday of last week. Hon. Robt. Howe took the chair and called the meeting to order.

The report of the committee appointed at the previous meeting was then called for.

Frank R. Corbaley then read the following resolutions which were unanimously adopted:

Be it resolved, by the citizens of Sonoma in mass meeting assembled, That in our unqualified opinion, Chinese, coolie or serf labor in the United States—imported hither by speculators to compete with the free labor of our own people—tends inevitably to degrade our citizen laboring masses to its own wretched standard and condition, and to destroy that prosperity, equality and liberty, upon which we alone depend for the preservation of our free Government.

That the evil effects of this injurious competition are already seriously felt in many of the communities of the Pacific coast, and ought no longer to be tolerated. That, as a measure of self-preservation from the impending and existing evils incident to such a condition, we have a right to, and do, demand of our National authorities the use of all the powers of the Government necessary for the complete and final exclusion of this element from our common country.

That, laying aside, as far as possible, all merely selfish ends and considerations, it is the imperative duty of every patriotic citizen to assist in the exclusion of Chinese labor from our own community by the employment of free white labor in its stead, and by refusing to patronize the products of coolie labor in any form.

That a paper embodying these principles be circulated among the vineyardists, orchardists and others in Sonoma Valley and city for their signatures.

That a white labor bureau be established in Sonoma to co-operate with other organizations of like kind in San Francisco or elsewhere for the collection and supplying of needed information to employers and employees.

That we now proceed to effect a permanent organization for the purpose of carrying out the spirit of the aforesaid resolutions by the election of an executive committee and other necessary officers.

That we deplore and condemn the use of any force, violence or unlawful means whatever in the accomplishment of our purpose.

The meeting then proceeded to form a permanent organization to be known as the Sonoma Non-Partisan Anti-Coolie League, and those present were invited to come forward and sign their names as members, and fifty-four names were enrolled.

The following were then elected as officers of the League: Robt. Howe, President; S. Schocken, J. S. Enos, E. S. Hayward, Ed. Wegner, Vice Presidents; F. R. Corbaley, Secretary; J. J. Wistyrk, Assistant Secretary; E. J. Mullin, Treasurer.

It was then moved and seconded that an Executive Committee of five be appointed.

The President then appointed the following gentlemen as such committee: J. J. Henderson, F. Ehrlich, M. Muldry, E. J. Mullin and S. Schocken.

J. S. Enos, State Labor Commissioner, being present, was called upon to address the meeting. He responded, advising the people to take no violent measures against the Chinese, as that would have a tendency to injure the cause, but to urge Congress to pass laws for their relief. In conclusion, Mr. Enos said that according to statistics compiled by him last year, there were 104,000 Chinese in this State, and that of this number Sonoma county contained 15,000.

J. J. Henderson, in response to loud calls, then addressed the assembly, and in a neat and graceful speech urged the people to demand of Congress protection from the Chinese curse and urged that none but lawful means be employed to remedy the evil.

J. W. Rudl followed, and handled the coolie without gloves.

The meeting then adjourned to the call of the chair.

### Talent from Abroad.

The services of Mr. Josh Davis, formerly of the Bijou Street Theatre, San Francisco, has been secured by Clay Literary Society for their 22d of February entertainment. Mr. Davis is pre-eminently one of the best comic and serio-comic actors of the present day, and never fails to draw immensely wherever he appears. In addition to Mr. Davis, who is a whole show in himself, the best of local talent will appear. This entertainment promises to be one of the most attractive ever presented to the public by Clay Literary Society.

The Chinese firm at the corner of Fifth and Mendocino streets advertise everything for sale, preparatory to taking their departure for their native country.—S. B. Democrat.

# Sonoma Oranges and Lemons.

One of the handsomest clusters of oranges that we have ever seen has been laid on our table by Mrs. C. C. Carriger. The cluster is a solid bunch of ten fine large oranges. Accompanying the same was also a sprig containing six immense lemons. This fruit was grown on Mrs. Carriger's place, three miles from Sonoma, and we challenge any of the southern counties to beat it. Mrs. Carriger won a prize at the recent Citrus Fair in Sacramento, and that too, without pretending to make an exhibit, as she only made up her mind to make a display two days before the Fair opened. An examination of the orange and lemon trees on the C. C. Carriger place will convince the most skeptical that the Sonoma Valley can produce as fine citrus fruits as can be grown anywhere.

## A Great Treat.

Those who were present at the St. Louis school house on Saturday evening last, were afforded a great treat by W. L. Watts, in his illustrated lecture and sciopticon views, entitled "A Trip to London," and, it may be added, "A Journey through Iceland," affording many beautiful scenes in the great metropolis, and thence traveling a supposed journey, said to have been made by the lecturer himself, into the land of ice. True to announcement, the little folks were not forgotten but came in for, and heartily enjoyed, a share of the fun. The school house was well filled and all agreed that the entertainment had proved itself one of unusual merit. Mr. Watt has many patrons in the valley, having photographed, from time to time, places and objects of prominence here.

## Got a Fish Hook in His Lip.

On Saturday last while the two little sons of John Lounibus were fishing in Sooma creek, near the residence of their father, one of them a lad ten years of age, had the misfortune to have a fish hook driven into his upper lip. It appears that his brother, in attempting to cast his line, to which was attached a heavy sinker, whirled it in such a manner as to catch the little fellow as described. The hook was suffered to remain in his lip till the following Tuesday, his parents in the meantime making several futile efforts to extract it. On that day he was brought to town and taken to the office of Dr. Davis who cut it out and sent the youngster on his way rejoicing.

## Patents Granted.

The following patents were granted to citizens of the Pacific States on the 26th of last month, and reported expressly for the INDEX-Tribune by C. A. Snow & Co., patent lawyers, Washington, D. C.: N. S. Wilson, West Butte, Cal., traveling threshing; P. Wilhelm, Portland, Oregon, car axle; H. Shogren, East Portland, Or., two wheeled vehicle; L. H. Kiser, River, fruit bag holder; J. C. Hagerly, Santa Cruz, bark cutting machine; T. E. Hagerly, San Francisco, button hole machine; G. Bergheim, South Butte, wash boiler; G. T. Campbell, San Francisco, belows.

## Oaklawn Farm.

A visit to this great horse importing and breeding establishment convinces us that its reputation, which has extended to all parts of the world, has been justly earned. Located at Wayne, Illinois, its proprietor, Mr. M. W. Dunham, with remarkable foresight comprehended the need and probable demand for improvement in the work horses of the country; and, in 1872, in a small way commenced the work which has attained such grand proportions, the sales to date having aggregated several millions of dollars. The adaptability of Percheron stallions in preference to other draft breeds in crossing on the native mares of this country has long been established. To this fact may be attributed the increasing demand for Percheron stallions that requires an annual importation of several hundred to supply the needs of "Oaklawn." In selecting this stock only horses of individual excellence, possessing pedigrees tracing through an ancestry of choice breeding are purchased; certificates of registry in the Percheron Stud Book of France being demanded as a proof of such breeding.

## Good Results in Every Case.

D. A. Bradford, wholesale paper dealer of Chattanooga, Tenn., writes that he was seriously afflicted with a severe cold that settled on his lungs; had tried many remedies without benefit. Being induced to try Dr. King's New Discovery for Consumption, did so and was entirely cured by use of a few bottles. Since which time he has used it in his family for all Coughs and Colds with best results. This is the experience of thousands whose lives have been saved by this Wonderful Discovery. Trial bottles free at all Drug Stores.

## Becken's Anker Salva.

The best salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by all drug stores.

The Bennett valley bridge near the school house has been repaired.

Over \$400 have been collected by the anti-Coolie League at Petaluma.

The amount of money now on hand in the County Treasury is \$165,693 97.

The show window and articles contained therein of Burns' drug store at Guerneville, was badly damaged, one night last week, by unknown parties, who threw several large rocks through the window.

The citizens of Sebastopol are very enthusiastic over the anti-Chinese movement. They have stretched two large banners across the main street of the town, one of them bearing the inscription, "We Mean Business."

The Chinese of Santa Rosa have been given till March 1st to pack up their duds and leave. Assemblyman Allen and John F. Kinslow acted as spokesmen for the committee. The proceedings were conducted in a quiet and orderly manner.

Two Indians, named Tom and Sam, while hunting in the hills together, Friday, about six miles north of Healdsburg, engaged in a quarrel, which resulted in one of them cutting the other with a knife, causing his death shortly after. The murderer made his escape.
